

The Moscow Clayworks Collection: “Crafting Friendships” Guest Curators: Bodil and Larnie Fox

Bodil and Larnie Fox are a collaborative artist duo who create immersive installations, performances, and participatory sound sculptures. Their joint projects include *Probability* (Pro Arts Gallery, Oakland, 2022), *Probability 2* (NY2CA. Gallery, Benicia, 2024), and site-specific works made during a residency at Mas de Grape in France. Their sound installations were recently exhibited at Zaprice Castle and the Volčji Potok Arboretum in Slovenia as part of the multi-venue *Dobre Novice* project. Past collaborations range from *Artilugios* in Chiapas, Mexico, to *Birdhouse* for Vallejo's *Visions of the Wild* festival, *Clepsydra* at the Benicia Historical Museum, a giant kinetic dragonfly for the DuPage
